3.3. Foreign candidates, within 90 (ninety) days following the candidate's admission, will have to produce the receipt of the application for the *Registro Nacional Migratório* (RNM), otherwise the initial application in this contest as well as all the acts thereof may be annulled.

### 4. SELECTION PROCESS

4.1 The selection will be conducted by a Selection Commission (SC), formed by 06 (six) permanent professors at UFPB, working in the Academic Department/Specialized Academic Unit to which the applicant is applying for; 03 (three) of which will be sitting members and 03 (three) substitute members, who must have a title equal to or superior to that required from the candidates.

4.2 The designation of the members and the Chair of the Selection Commission will be made official by an Administrative Rule issued by the Director of the Center, as per appointment of the Graduate Program Coordination, whose profile was established at the final projects passed by the *Ad-hoc* Commission, mentioned at Phase 1 of this Public Notice.

4.3 The names of the members of the Selection Commission of this Selection Process must be published at the website of the respective Graduate Program and Department, at the latest, on the date of publication of the public notice.

4.4 The selection will take place between June 05 and June 08, 2018.

4.5 The process will comprise the examination of titles, worth 70 (seventy) percent of the points total, and evaluation of the working plan, worth 30 (thirty) percent of the points total.

4.5.1 The Working Plan may be written in Portuguese or English language. The evaluation of the Working Plan shall focus on the following criteria:

I – Quality of the candidate's Working Plan, considering the candidate's potential contribution to strengthening the Graduate Program – from 0 (zero) to 4 (four) points;

II – Feasibility of the Working Plan, as well as its compatibility with the Program's proposal – from 0 (zero) to 3 (three) points; and

III – Impact of the proposal on the improvement of both research and internationalization of the Graduate Program - from 0 (zero) to 3 (three) points.

4.6 The candidate with total points below 7 (seven) will be disqualified.

4.7 In case candidates qualify with the same points total, the candidate with a longer record of Higher Education Teaching experience will have the priority.

4.8 Candidates can file an appeal with suspensive effect on the Final Report disclosed at the location of application, according to the schedule and conditions to be defined by the responsible department. The appeal can be filed within 10 (ten) days following the date the final result is published (Law no. 9.784/99, article 59) and must be placed at the department responsible for the respective Selection Process.

4.9 The result of all selection processes must be sent to the Dean of Graduate Studies (PROGEP) to be published in the Official Gazette of Brazil (DOU) up to July 04, 2018.

### 5. REQUIREMENTS FOR ADMISSION

5.1 After publishing the final result at the Official Gazette of Brazil and after the period for appeals, the department responsible for the Selection Process, through the Center to which it belongs, will request that the Provost of Human Resources admit the Visiting Professor.
